Dear Kelly

### **Merry Mops Cleaning Services**

As the Priest in Charge of the Parish of Cathays, I would not hesitate to recommend the services of Merry Mops Ltd.

The staff are considerate, helpful and flexible and the work carefully supervised.

We call upon the services of this team to clean our large church, St. Andrew and St. Teilo in Woodville Road and they are willing to negotiate suitable times and work around the constant and complicated use of the building.

We are now looking forward to a really good Spring Clean from Merry Mops, once our ongoing building work is completed.

Best wishes
